Thank you Maryam,
I'm looking forward to the opportunity to dive into this project. Yes, let's carve out time soon to discuss the site.
Best,
Russ

Gabrielle! As I mentioned in our recent call, I am extremely pleased to have the opportunity to work with you again. Russ's unique skill set and experience with PACE-EH will be an asset to this project, and we believe that this assignment is an excellent fit.

I'll set up some time to discuss the site and bring you both up to speed very soon.

Thanks!

Hi Maryam –

I hope this email finds you well!

Please find attached ATSDR's decision letter on a petition from the City of Riverside regarding the Riverside Agricultural Park. As ATSDR's State Coop Partner, CDPH will work with ATSDR, DTSC and the Riverside Ag Park Off-Site Community Work Group to address the community's concerns.

I hope we can set up a phone conference in the near future with you and your team and I would also like to connect you with Russell Bartlett (cc'ed), Health Assessor, who will be the lead for this project.

We are looking forward to work with you again!

Sincerely

Gabriele
